Arena Staffing Acquires Blueprint Construction Services, Expanding Footprint in Northern California and Enhancing Service Offerings

For Immediate Release

[Ontario, CA] – [1/07/2025] – Arena Staffing, a leader in skilled labor solutions for the construction industry, is proud to announce the acquisition of Blueprint Construction Services, a well-established staffing firm specializing in providing high-quality labor for general contractors and subcontractors in Northern California. This strategic move marks a significant milestone in Arena Staffing's growth trajectory and underscores its commitment to serving clients with unmatched expertise and resources.

Blueprint Construction Services has built a strong reputation for its exceptional talent pool and dedication to meeting the workforce needs of its clients. By integrating Blueprint's resources, network, and expertise into Arena Staffing's operations, the combined entity will deliver an even broader range of services while maintaining the same level of excellence both companies are known for.

A Strategic Fit for Industry Leadership

"We are thrilled to welcome Blueprint Construction Services into the Arena Staffing family," said **Dave Kooiman**, President of Arena Staffing. "This acquisition aligns perfectly with our vision to be the premier provider of staffing solutions for the construction industry. Together, we will enhance our ability to deliver skilled professionals, drive efficiencies for our clients, and support workforce development initiatives across multiple markets."

"The merger between Blueprint and Arena marks an exciting new chapter for both companies." said **Ron Read**, President of Blueprint. "Together, we're combining decades of expertise with a shared commitment to delivering exceptional value to our clients. This partnership will allow us to expand our reach, strengthen our capabilities, and create unparalleled opportunities for our teams and the industries we serve. I'm thrilled to see what we can accomplish as we join forces under the Arena banner."

Enhanced Capabilities and Broader Reach

The acquisition will:

- Expand Arena Staffing's service area to include additional markets where Blueprint Construction Services has a strong presence.
- Bolster the company's talent pool with an influx of experienced professionals ready to meet the demands of today's construction projects.
- Strengthen Arena Staffing's ability to support large-scale projects requiring specialized labor solutions.

A Seamless Transition

Arena Staffing and Blueprint Construction Services are committed to ensuring a smooth transition for all clients, employees, and partners. Both companies share a strong cultural alignment focused on integrity, quality, and innovation, making this integration process seamless and beneficial for all involved.

Looking Ahead

The combined expertise of Arena Staffing and Blueprint Construction Services sets the stage for continued growth and success. Together, the companies will drive greater value for clients, providing tailored staffing solutions that address the evolving needs of the construction industry.
